DEAR GENERAL MANAGER,

I am delighted to apply unsolicited to your company. With a strong academic background in automation, robotics, and industrial computing, coupled with eight years of experience in industrial maintenance and automation, I am confident in my ability to contribute effectively to your team.

Throughout my career, I have managed preventive and corrective maintenance operations, optimized industrial systems, and led technical teams to ensure operational efficiency.

My expertise in industrial automation, electrical engineering, and project management has allowed me to implement innovative solutions that improved system performance. Beyond my technical skills; I am highly adaptable, proactive, and motivated by challenges.

I thrive in dynamic environments where problem solving and innovation are key.

I am eager to bring my skills, experience to your organization, and contribute to its success.

I would welcome the opportunity to discuss how my expertise aligns with your company's goals.

I am available for an interview at your earliest convenience and look forward to your response.

Thank you for your time and consideration.

Best regards,

Mohamed Bilel Jaziri
